Penny's Hill - the best

The Kitchen Door at Penny's Hill has been judged 'Best Restaurant in a Winery' at the National Restaurant and Catering Awards in October. The McLaren Vale winery is ecstatic to win the prestigious award, presented to them at a gala dinner at the Adelaide Convention Centre.

Penny's Hill achieved a near perfect score when judged on a range of criteria.

The restaurant has been judged to have the best atmosphere, ambience, service, food, point of difference, value for money and overall experience in a winery in the nation.

Restaurant Manager James Spreadbury said the Kitchen Door at Penny's Hill is dedicated to providing one of the best overall dining experiences in the region. It is open for lunch Tuesday through Sunday (cellar door still open

Monday) and available for dinner and functions by appointment. The Kitchen Door at Penny's Hill offers a morsels style menu, which is Head Chef Ben Sommariva's interpretation of a five-course degustation dinner, and at just \$47 it is excellent value for money.

There is also a full Ala Carte menu with a delicious range of

starters, entrees, sides, mains and desserts on offer. Enjoy a full restaurant experience at the Kitchen Door at Penny's Hill, located on the McLaren Vale to Willunga Road.
