DESCRIBING THIS
WINE.

The Story

A pioneer farmer and landholder of note, Thomas Goss, his wife Mary and their children arrived in South Australia from Devonshire in 1849. After success in the Victorian gold fields he acquired sections of farming land between McLaren Vale and Willunga which are now home to some of the region's leading vineyards.

Vineyards

IN time descendants of Thomas Goss ventured into the neighbouring Adelaide Hills, the very cool climate premium region from which fruit for this fresh and complex Chardonnay is sourced. The unequivocally cool climate and soils of low to moderate fertility are ideal for growing conditions.

Wine

THIS wine displays rockmelon and freshly cut stone fruits, and are beautifully balanced with a creamy texture and subtle oak spice.
